Here is some more information for the tournament. **Varsity** teams will play each team twice. **Middle School** teams will play a round robin playing each team once. Each team in **JV** will play 3 games. Based on those game results you will be ranked 1 through 4. The last game you will be matched up against the team ranked right next to you. Trophies and medals will be given to each championship team along with a tournament MVP medal. All games will be best 2 out of 3 games, and will be rally scoring. The first 2 games will be played to 25, or win by 2, capped at 30. The third game, if needed, will be played to 15, or win by 2, no cap. The team listed first is the home team. The home team will provide the official book keeper. NDAA will provide the score keeper. Each team will provide a line judge for the game before theirs (NDAA will cover the first and last games of the day).
